Dear Mr. Morrell:

I have read with interest your report on "Recent Developments in the Use of Cambodian Territory" by the VC/NVA. I am most appreciative for your thoughtfulness in calling this report to my specific attention. The information contained therein is most useful and quite timely, in as much as my office is presently engaged in a staff action relating to Cambodia.

It would be most helpful to me if you would continue to bring items of current operational interest particularly in the Southeast Asia area, such as this, to my attention. Such intelligence is always most useful to my office in the discharge of our staff responsibility for special operations.

Sincerely yours,

W. R. PEERS
